REPORT OF THE SELECTMEN

Like most years, 1981 was a busy one in the Selectmen's office. Most of the early spring months were taken up by a revaluation of the Town by the Selectmen using to a large extent, the data base compiled by E.W. Greene and Associates. Each property owner was advised of its progress and invited to examine the appraisal and computation cards. Over 300 did so. There have been many comments, both helpful and critical, but serious objections have been very few. The Selectmen feel the 1981 equalization rate of 96% (computed by the NH Dept. of Revenue) is a silent commentary on a job well done.

New Hampshire law requires that each separate piece of property now be individually assessed and billed. For the first time the Selectmen have tried to do this. To facilitate the preparation of the additional records and billing that this procedure requires, the Selectmen have computerized a major portion of the tax records of the Town using the facilities of a subsidiary of the Granite State Telephone Company. The use of computer records will also allow the Town to issue semi-annual tax bills. This has been authorized by the Selectmen and the first bills for the ½ the 1982 estimated real estate tax is expected to be mailed the end of May.

Semi-annual tax billing should spread the burden of taxes over the year and hopefully will make raising the necessary money easier for most of us. In addition the expected savings to the Town in borrowing costs is expected to be substantial. Because of the computer, the additional costs related to semi-annual billing, are minimal.

There was no elected Road Agent in 1981. No one ran as a candidate for the office, no one responded to the Selectmen's request, from the floor of the 1981 Town Meeting for volunteers, and more than several qualified persons asked by the Selectmen to serve as Road Agent, refused.

John Paige, an employee of the highway department, was subsequently appointed acting-road agent and is presently serving in that capacity.

The Selectmen feel strongly that the position of Road Agent is an important one and one which should carry considerable responsibility. They believe the interest of the Town would be well served if the position were made financially attractive and a suitable person for the position could be appointed by the Selectmen.

In the interest of economy the old fire station has been closed and now stands vacant and unused. The Selectmen believe that, after remodeling, that the building could be advantageously and economically used for Town offices with a public meeting place upstairs.

They also feel that is no longer appropriate for the various Town offices (Town Clerk, Chief of Police, etc.) to have their offices and Town Records in their homes. Convenience and efficiency seem to indicate that a central location for all Town Offices and Town Records would be advisable.

The present Town Hall is expensive to heat (\$5,000 so far this heating season) and is ill adapted for Town Offices because of space limitation and the inaccessability of the second floor. If the move is made the present plan is to close the present Town Hall for the Winter months.

Respectfully submitted,
Selectmen of Francestown

ELIZABETH M. BEHRING
ROBERT N. ABBOTT
JOHN L. ARNOLD

* Appointed

1982 Budget:

The Committee met several times in December 1981 and January 1982 to review budget requests for Calendar 1982. These meetings included information gathering discussions with each Board or Department head representing the various operating divisions of town government.

The Budget of the Town of Francestown for 1982 as published in this Town Report has been produced as a joint effort of the Selectmen and the Budget and Advisory Committee. Many of the line items reflect increases over 1981 appropriations due mainly to the increased costs of material and services. There are, however, notable exceptions. For example, the Fire Department budget is 7.5% lower than 1981. In the case of Town Road Maintenance, while the 1981 budget was \$95,000, actual expenditures totalled only \$76,223. These savings were due in most part to staffing economies put into effect last year and to a careful monitoring of the budget by the Selectmen. We feel, therefore that a budget of \$95,000 is adequate for Town Road Maintenance in 1982, even after taking into account the greater than normal plowing and sanding effort so far this year and the burden of continuing inflation.

Several of the Department or Committee budgets have been reduced from the original request submitted. The reductions were not made without careful consideration of the needs of the respective governing units and the ability of the Town to underwrite the costs.

We recommend passage of the Budget as it appears in this Town Report.

WARRANT ARTICLES:

We recommend passage of all warrant Articles involving the raising of monies. We also recommend the passage of Article 14. calling for the Road Agent to be appointed by the Selectmen.

Respectfully submitted,

ERNEST POOR, Chairman

TOWN WARRANT
THE STATE OF NEW HAMPSHIRE
March 9, 1982

Polls will be open from 10:00 a.m. to 6:00 p.m.

Voting on Article 1 and 2 will be at the polls.

Remaining Articles will be considered at the meeting held at 10:00 a.m. March 13, 1982 at the Town Hall.

To the inhabitants of the Town of Francestown in the County of Hillsborough in said State, qualified to vote in Town affairs:

You are hereby notified to meet at the Town Hall on Tuesday, the ninth day of March, 1982 at 10:00 a.m. for the choice of Town Officers elected by official ballot and such action required to be inserted on said official ballot. (Article 1 and 2)

The polls will open on said date at 10:00 a.m. and will close not earlier than 6:00 p.m. in the evening.

You are hereby notified that the second session of the annual meeting of the Town of Francestown will be held at the Town Hall on Saturday the thirteenth day of March, 1982 at 10:00 a.m. in the morning to act on those matters not to be voted on by official ballot.

ARTICLE 1. To choose all necessary Town Officers for the ensuing terms.

ARTICLE 2. To see if the Town will vote to adopt amendments to the existing Zoning Ordinance of Francestown, New Hampshire as proposed by the Planning Board. (Ballot Questions)

ARTICLE 3. To raise such sums of money as may be necessary to defray Town charges for the ensuing year and make appropriations for the same.

ARTICLE 4. To see if the Town will vote to authorize the Selectmen to borrow a sufficient sum of money to pay current expenses in anticipation of taxes, or take any other action relating thereto.

ARTICLE 5. To see if the Town will vote to authorize the Selectmen to apply for, accept and expend money from the State, Federal or other governmental unit or a private source which becomes available during the year in accordance with the procedures set forth in RSA Chapter 31:95-b.

ARTICLE 6. To see if the Town will vote to authorize the Selectmen to enter into an agreement with the Towns of Bennington and Antrim to renew the present Contract for the joint use of the Bennington Sanitary Landfill Facilities for an additional term of ten (10) years, or take any other action thereon.

ARTICLE 7. To see if the Town will vote to raise and appropriate the sum of Five Thousand Dollars (\$5,000.00) to be placed in the Capital Reserve Fund for future purchase of, or replacement of road equipment, or take any other action relating thereto.

ARTICLE 8. To see if the Town will vote to raise and appropriate the sum of Four Thousand Dollars (\$4,000.00) to be placed in the Capital Reserve Fund for future replacement of fire trucks, or take any other action relating thereto.

ARTICLE 9. To see if the Town will vote to raise and appropriate the sum of Five Hundred Dollars (\$500.00) to be placed in the Capital Reserve Fund for replacement of Fire Department radio equipment, or take any other action relating thereto.

ARTICLE 10. To see if the Town will vote to raise and appropriate the sum of One Thousand Dollars (\$1,000.00) to be placed in the Capital Reserve Fund for the purchase of land for a future library building and/or construction of a new library building, or an extension to the present George Holmes Bixby Memorial Library, or take any other action relating thereto.

ARTICLE 11. To see if the Town will vote to raise and appropriate the sum of Two Thousand Two Hundred Seventy-Four Dollars and Twenty Cents (\$2,274.20) to support the services of the Monadnock Community Visiting Nurse Association, Inc., or take any other action relating thereto.

ARTICLE 12. To see if the Town will vote to raise and appropriate the sum of Four Hundred Twelve Dollars and Fifty Cents (\$412.50) for support of the Monadnock Family and Mental Health Services, or take any other action relating thereto.

ARTICLE 13. To see if the Town will vote to raise and appropriate the sum of Seven Hundred Thirty-Eight Dollars (\$738.00) as the Town's share for the studies and operation of the Southwestern New Hampshire Regional Planning Commission, or take any other action relating thereto.

ARTICLE 14. To see if the Town will vote that on the expiration of the term of the Road Agent elected at the Annual Meeting of the Town in 1982, the Selectmen be, and hereby are, authorized thereafter, to appoint a Road Agent in accordance with the Revised Statutes Annotated as amended.

ARTICLE 15. To see if the Town will vote to raise and appropriate the sum of Twelve Thousand Dollars (\$12,000.00) for stage one of the remodeling of the old Fire Station for the purpose of making the building suitable for Town Offices and a Meeting Room for the use of Boards and Committees to hold meetings and hearings, or take any other action relating thereto.

ARTICLE 16. To see if the Town will vote to raise and appropriate the sum of Six Hundred Dollars (\$600.00) to repair the Head-Stones in Cemetery 1, or take any other action relating thereto.

ARTICLE 17. To see if the Town will vote to raise and appropriate the sum of Forty Thousand Dollars (\$40,000.00) for the reconstruction of Morse Bridge on the Francestown Turnpike over the South Branch of the Piscataquog River, and to authorize the withdrawal of Thirty-Nine Thousand Dollars (\$39,000.00) for this purpose from the Federal Revenue Sharing Fund with the balance to be raised by taxation, or take any other action relating thereto.

ARTICLE 18. To see if the Town will vote to authorize the Selectmen to sell the old police cruiser and to raise and appropriate a sum not to exceed Ten Thousand Dollars (\$10,000.00) for the purchase of a new police cruiser such sum to be raised and appropriated as follows:

- 1) \$5,000.00 to be raised by taxation.
- 2) \$3,200.00 to be withdrawn from the Capital Reserve Fund for the replacement of the Police Cruiser.
- 3) \$1,800.00 to be used from the proceeds of the anticipated sale of the old Police Cruiser, or take any other action relating thereto.

ARTICLE 19. To see if the Town will vote to authorize the Selectmen to sell, upon such terms and conditions as they deem proper, the old Army truck bodies and parts presently located at the Highway Garage, or take any other action relating thereto.

ARTICLE 20. To transact any other business that may legally come before the meeting.

Given under our hand and seal, this forth day of February in the year of our Lord nineteen hundred and eighty-two

Elizabeth Behrsing moved that the Town vote the amended budget of \$283,454.00. Seconded — Carried

Article 3. Voted to authorized the Selectmen to borrow sufficient sum of money to pay current expenses in anticipation of taxes.

Article 4. Voted to authorized the Selectmen to apply for, accept and expend money from the State, Federal or other governmental unit or a private source which becomes available during the year in accordance with the procedures set forth in RSA Chapter 31:95-B.

Article 5. Voted to raise and appropriate the sum of Four Thousand Dollars (\$4,000.00) to be placed in the Capital Reserve Fund for future replacement of fire trucks.

Article 6. Voted to raise and appropriate the sum of Five Hundred Dollars (\$500.00) to be placed in the Capital Reserve Fund for the replacement of Fire Department radio equipment.

Article 7. Voted to raise and appropriate the sum of One Thousand Dollars (\$1,000.00) to be placed in the Capital Reserve Fund for the replacement of the Police Department cruiser

Article 8. Voted to raise and appropriate the sum of One Thousand Dollars (\$1,000.00) to be placed in the Capital Reserve Fund for the purchase of land for a future library building and/or construction of a new library building, or an extension to the present George Holmes Bixby Memorial Library. The Moderator to appoint a committee of not more than three to review with the Trustees the nature and purpose of all library funds, recommend co-mingling if any and defining their purpose and future use. Update 1976 report, particularly with respect to ultimate space capacity of present building. Publish its findings and recommendations well in advance of the 1982 Town Meeting and prepare an appropriate article to be included in the 1982 Warrant.

Article 9. Voted to raise and appropriate the sum of Two Thousand Two Hundred Sixty-One Dollars (\$2,261.00) to support the services of the Monadnock Community Visiting Nurse Assoc., Inc.

Article 10. Voted to raise and appropriate the sum of Four Hundred Thirteen Dollars (\$413.00) for the support of the Monadnock Family and Mental Health Services.

 Firewards

FRANCESTOWN FIRE DEPARTMENT

The officers elected for the year 1981 were as follows:

Chief	Clifton F. Foote
1st Deputy Chief	Lawrence Kullgren
2nd Deputy Chief	Robert Cutter
Captains	Richard Leavitt, Donald Abbott, Alvin VanCleve, Ronald Kullgren
Secretary	Norman Stewart
Treasurer	Donald Abbott
Standing Committee	Donald Hoyt, Richard Leavitt, Louis Wiederhold
Appointed by Chief	
Fire Police Officer	John Coakley
Safety Officer	Norman Stewart
Public Relations Officer	Richard Mikula

During the past year the Fire Department answered these calls.

- 3 Structures Fires
- 10 Chimney Fires
- 21 Rescue Calls
- 10 Mutual Aid Calls to other Towns
- 3 Broken Power Lines
- 3 Fire Alarm Malfunctions
- 2 Smoke Investigations
- 1 Lightening Strike

The number of man-hours put in by the members of the Fire Department were as follows:

- 534 Fire and Rescue
- 1,512 Work Details
- 471 Drills and Training School
- 720 Sunday Morning Radio and Equipment Check

We wish to thank all who contributed so generously this past year. These funds are being used to help complete the work in our new station and to maintain our equipment. We also wish to thank the Women's Auxiliary for their fund raising events. This money is being used to complete our new kitchen. Other gifts donated anonymously for the kitchen were, a built in oven, counter top stove and exhaust hood. The installation work is being done by members of the Fire Department.

The training fund increase in the Fire Wards budget is to assist in the payment of required training for E.M.T. and advanced first aid members, in order for them to serve on the Rescue Squad.

The Fire Prevention week program, for the school children, was in charge of Safety Officer Norman Stewart who was assisted by Deputy Chief Robert Cutter and Fire Police Officer John Coakley. Refreshments were served by the Woman's Auxiliary.

It is with regret that we announce the passing of two of our members this past year. Fire Police Officer John Coakley, and Deputy Forest Fire Earden Robert Foote. Both of these members will be missed very much by the Fire Department members.

Smoke Detectors help to save lives, every home should have at least one. If you have a fire or an emergency dial your MUTUAL AID NUMBER 1-352-1100, give your name, town, and location of your residence, PLEASE do not hang up the phone, until you give the dispatcher all of the needed information.

DON'T GAMBLE WITH FIRE - THE ODDS ARE AGAINST YOU

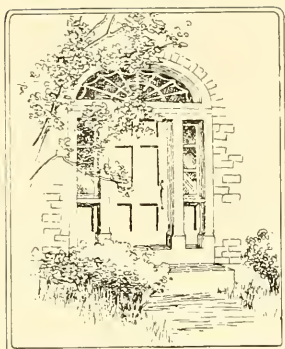

Respectfully submitted,
CLIFTON F. FOOTE, Chief

LADIES AUXILIARY
of the
FRANCESTOWN VOLUNTEER FIRE DEPARTMENT

1981 was a fairly quite year (as far as bad fires go). However; the Ladies Auxiliary managed to keep busy doing other things then serving hot coffee at fires. We served refreshments at Town Meeting and at the dedication of the new Fire Station.

We put on the annual Fire Ward's Dinner, held two (2) food sales, one in May and the other in October and we also held our first dance at the new Fire Station. We voted to turn our profits from our fund raisings over to the Fire Department to help defray the cost of finishing the kitchen at the Fire Station.

Respectfully submitted,
LINDA L. ABBOTT, President

1981 was a busy year for the Library with circulation increasing by 16% despite the fact the Bookmobile only came once during the year. Reports from the State Library in Concord do not indicate this situation will improve in 1982.

I meet with the Trustees once a month to compile a book order. Any request may be submitted to the Library when it will be considered for purchase. One Hundred and Fifty-One Adult Books and One Hundred and Seventeen Juvenile Books were purchased in 1981.

Connie Varnum does a great job with the young people, working Wednesday and Friday. Janet Beach, ConVal Resource Center Aide,

assists Connie on Friday by showing films, checking books. Approximately one hundred books are circulated each Friday.

During April we celebrated Library Week and had some excellent evening programs thanks to Jocelyn Bolle, Alan Thulander and Terry Risk. During May a musical duo, Colburn and Stuart, entertained the children and adults in the Town Hall. Our Summer Program was well attended this year. The Pre-School children had a wonderful time and did a great assortment of fun things under the direction of Connie Varnum and some mothers. The older students went treasure hunting, learned how to make paper and did some printing. The summer program is well attended by the town's children. Francestown Day was a great success. The display of crafts done by talented residents of the town was amazing.

Jean Moseley continues to return books to the State Library in Concord for us. Pat Cloutier provides volunteers when needed. Many visitors stop at the Library to view the Historical Rooms and an increasing number of people enquire about genealogical facts. Eleanor Kiblin is always a great help in this area.

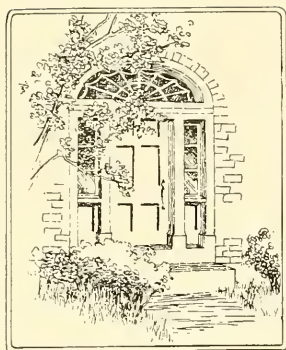

Our Library Friends are to be thanked for gifts of books and money and in particular time, of which they give so generously. We are grateful to the Dimmitt Family for a large donation of books on Antiques.

The Trustees are most helpful and co-operative. Since working at the Library I have become increasingly aware of the many dedicated hours these three ladies devote to providing the town with the excellent Library we have.

It is my pleasure to serve the residents of Francestown as Librarian.

Respectfully submitted,

JOAN E. HANCHETT, Librarian

GEORGE HOLMES BIXBY MEMORIAL LIBRARY

Francestown, New Hampshire 03043

LIBRARY TRUSTEES' REPORT

The Library had another active year in 1981. Circulation was up 16% and new residents have been quick to secure Library cards. We were again awarded the State merit certificate, always a pleasing note on the year.

Early each month, there is a small rush as patrons come to get the Francestown Calendar, and a first look at new books. Every wednesday morning, the Pre-Schoolers arrive for Library Story-time. The school children follow class by class as the week continues.

After hours, the lights come back on for town groups and committees meeting in the building. The lamps have also been lit for well-presented and most interesting Historical Society programs.

The Library's own special programs last year began in April with the well-attended festivities of Library Month. Jocelyn Bolle spoke on "Monadnock Artists;" Alan Thulander on "Collecting;" and Terry Risk on "Fine Book-binding." The children's special treat was a session of music making with David Colburn and Debbie Stuart at the Town Hall.

Later came the cheerful Welcome Coffee in September, and the innovation of "Francestown Day" in October. The latter, a cold Sunday afternoon, was warmed by the music of our faithful friends Allan Block and Nancy MacDowell, and featured a remarkable arts and crafts exhibition, an Historic Walk up Main Street, a book sale, and all the cider and doughnuts the crowd could manage.

Cookies and punch were next as the Library and Historical Society celebrated the building's special beauty at Christmas-time. Every mantle, hearth, and surface was decorated, a beautiful tree from the Kibblins drew all eyes, and the strains of Bach and Mozart from Lynn Hintz' flute filled the air with joyous sound.

The Summer Program for the town's children is, of course, the most ambitious of our extra efforts in terms of time, energy, and creativity. The school children, and the pre-schoolers, are entertained and, we hope, stimulated and enlightened, for six weeks with projects, outings, books, and films. Parents and Library friends assist us in arranging varied and imaginative activities for the fifty or so children who regularly attend.

In 1981, the children learned to make paper, learned to print on it with hand-set type (courtesy - and patience - of Terry Risk) and to work with papier-mache, creating a life-sized figure

holding, of course, a book. Even a "rain day" was exciting as Jo Staub substituted the indoor making of pot-pourri for the planned Pond field day. Alan Thulander led a successful treasure hunt all 'round the Library with kindly-lent metal detectors, and the final party featured songs and puppets with Holly MacAdam and Gary Alger. Joan, Connie, and helpful mothers ran a simultaneous - and crowded - pre-school Summer Program.

Perhaps we should here define for you the financial source of these special programs and events - the source of fees or supplies or ingredients for them. The Trustees feel that the Library should offer more to the community than the strictly functional Town Budget can provide. To offer such "extras," we have fund-raising events from time to time - no more than one a year, or every other year - to finance such events as those described, or film series, puppet shows, clowns, music... Funds raised are also applied to the purchase of particularly costly books we feel necessary or desirable, costly equipment, or to renovation or redecoration inside the building, to producing the Calendar (with thanks to the Conservation Commission for financial help) and to generally seizing any opportunity we feel would benefit the children and the townsfolk.

This fund-raising is a purely voluntary effort on the part of the Trustees - as are the efforts required to carry out the programs they fund. The financial and physical contributions of generous citizens who support these "extras" is of course also entirely voluntary. Attendance, and sentiments expressed by townspeople over the years, have convinced us that the Summer Programs, the Calendar, the art and craft shows, the speakers, the music, the "extra-special" book purchases, "Story-time," etc., - and the improvement of the setting in which you enjoy them - have merit and Town support. Some appreciative citizens feel strongly enough to regularly contribute private donations to the special fund for just such uses.

For the past several years, and for the past several months with the aid of an architect, we have been planning the renovation of the room downstairs - so well created out of an old cellar years ago for the children - but now sorely in need of repair.

Our special fund will provide the start for this next big project in the spring. Please come to see our plans and sketches. And before I leave this subject - we hope a year off has given you a good appetite for chowder and jazz. You'll be sure to get an invitation to enjoy both in 1982.

We continue our involvement in the Nubanusit Coop - our regional Library group - and recognize serious discount benefits in the purchase of books and supplies with this organization. The severe State cut-backs, including the grievous loss of the Bookmobile, have, of course, affected us dramatically. New, but limited, alternatives are being explored with the State for coming years. In 1981, with only one visit from the Bookmobile, and that the last, our offering of new reading has been seriously curtailed. We hope new procedures will partially fill that gap in 1982. In the meantime, so the shelves aren't too tiresomely familiar to the regulars, we've gone to a system of monthly book purchase. More frequent new titles seem to better please all of our Library users. We do think you can find a great deal of what you seek - new and older fiction, all the categories of non-fiction, reference works, classics, magazines and records - right on Main Street, Francess town.

You may sometime find in the front of a fine book in our

Library a book-plate memorializing a special friend of the Library. That person's family or friends have donated to the Library as a useful and lasting remembrance. Or, such gifts may be designated particularly for furnishings or equipment. Most usually, they are offered for any Library need, at the discretion of the Trustees. We are deeply grateful to those we so miss who specifically directed that they be remembered in this way, or to families who made this choice - and to those who honored their wishes.

So many Francestonians have helped us all year, in so many ways, with so many contributions of effort, time, and talent, that we cannot here thank them all. We can only hope a "blanket" thank-you will begin to express our gratitude. We must single out, though, the "Library families"- husbands and children of the Trustees and Librarians - who never fail us. They face with fortitude not only cold meals but a multitude of chores, large and small; they lift, carry, fix, fetch, and with never (or hardly ever) a word of complaint.

Our "upstairs neighbor, "Eleanor Kiblin, custodian of the Historical Rooms, is ever cooperative - and ever a source of ideas and support for our efforts, and we thank her. Our thanks too, to Honorary Trustee Diane Schott who, with special affection for the Library, seems always able to find time and energy for us. Pat Cloutier, our chairman of volunteers, deserves special gratitude for her years of tedious effort on the "phone cajoling the extra help we need.

Our deepest appreciation is, of course, for Joan Hanchett, whose presence and skills in the Library are so delightful for us and for her patrons: and for Connie Varnum who serves the children - and the Library - with such devotion. The extra thought and time they give to your Library cannot be measured - nor can our gratitude.

REPORT OF ARTICLE #8 - TOWN MEETING 1981

At the 1981 Town Meeting it was decided that the Moderator should appoint a committee of not more than three to review with the Library Trustees:

1. The nature and purpose of all Library funds.
2. Recommend co-mingling if possible.
3. Update the 1976 report, particularly with respect to the ultimate capacity of the present building.
4. Prepare an article for the Warrant is necessary.

David Jonas, Karen McDonough and Dana Roberge agreed to research the subject for the Moderator and subsequently have submitted the following report.

1. NATURE & PURPOSE

The Library funds as reported in the 1981 Town Report and their status at that time are as follows:

SPECIAL ACCOUNT, 12/31/80 Balance \$672.00

The purpose of this account is interior repairs, equipment and minor purchases.

CERTIFICATE OF DEPOSIT, 12/31/80 Balance \$1,417.00

The nature of this account is a certificate of deposit (#456- fnp) which matures on 3/24/82. The purpose of the account is at the discretion of the Trustees. At this time it is planned to be used on a downstairs renovation project, including fire exits and climate control.

ANNE SCHOTT MEMORIAL*, 12/31/80 Balance \$1,028.00

This is a dedicated account, only the interest can be expended. The purpose is the purchase of children's books.

TOWN HISTORY, 12/31/80 Balance \$2,575.00

This account is in the form of a certificate of deposit. It has been designated for use in construction of a new Library or extension.

MEMORIAL, 12/31/80 Balance \$416.00

This represents a consolidation of various donations to the Library. In some cases the donors specified or suggested how the money should be used. The Trustees use the funds as needed, for the purposes indicated by the various donors.

SPECIAL #55550, 12/31/80 Balance \$11.00

Represents the remainder of a depleted account which has been merged with the Special Account listed above.

CERTIFICATE OF DEPOSIT #6-601326, 12/31/80 Balance \$2,295.00

This CD matures 3/1/83, it can be used at the discretion of the Trustees. At this time the planned use is for the downstairs renovation in conjunction with CD #456-fnp.

THE FOLLOWING FUNDS ARE UNDER THE CONTROL OF THE TOWN'S TRUSTEES OF TRUST FUNDS:

FUTURE LUBRARY BUILDING (Capital Reserve Fund) \$4,819.00

The purpose of this fund is for a new or enlarged building or land acquisition. These funds can only be expended through Town Meeting authorization.

GEORGE BIXBY FUND #1* (Allison Bixby Hill) 12/31/80 Balance \$1,500.00
Funds are invested in the Peterborough Cooperative Bank (shares).
Interest to be used for interior improvements is deposited in
the Special Account.

GEORGE BIXBY FUND #2* (Manning Clark) 12/31/80 Balance \$1,025.00
Monies are invested in a certificate of deposit. Interest is deposited to
the Special Account

CHARLES AND MARION VOSE*, 12/31/80 Balance 2,2291.00
Funds are held in a certificate of deposit. The purpose of this
account is improvement (Landscaping) to the grounds of the
Library.

* Only the interest from these accounts may be utilized.
The principal is frozen.

2. CO-MINGLING

It is the conclusion of the committee that the Library Trustees
have consolidated funds whenever practical and possible.
Frequently, however, donated funds are dedicated to a particular
purpose or only the interest is usable, making consolidation or
co-mingling impossible.
A possible remedy for a continually expanding assortment of
small memorial funds and accounts is to encourage donors to
contribute to already existing accounts or to avoid restrictions
of the funds use.

3. 1976 REPORT UPDATE

Because the committee lacked the expertise or time to conduct
the research necessary for a reliable projection of ten year
Library use or expansion requirements we can only reiterate the
Trustees' own conclusion. That is, that the current facilities
will be adequate for space requirements for the next ten years.
It is extremely difficult in the midst of todays information
processing revolution, to even predict what shape libraries will
take in the future. We do feel, however that current developments
at the State Library level will provide us with some good indi-
cations within the next 18 months.

4. PREPARE AN ARTICLE FOR THE WARRANT

Although there was considerable discussion on the subject the
committee concluded that a Warrant Article relative to the various
funds and their disposition was inappropriate and unnecessary
at this time. The committee further concluded that the Library
Trustees have managed the funds entrusted to them in such a way
so as to anticipate Library needs and to minimize the loss of
purchasing power of accumulating funds.
The committee feels, however, that the financial merit of broad
based funding through the capital reserve system should be
re-evaluated in the context of our inflationary economy.
Why should taxpayers be asked to put aside funds only to see the
purchasing power of those dollars be sacrificed to inflation.?

ANNUAL REPORT OF THE
FRANCESTOWN CONSERVATION COMMISSION 1981

The Francestown Conservation Commission was established by vote of Town Meeting in 1965. There are seven members, appointed by the Selectmen to three-year terms.

The Commission is the agency specifically charged with the promotion and protection of the Town's natural resources and the protection of watershed resources. It serves as an advisor to the town on the environmental aspects of land use decisions.

The Commission is in support of the completed Master Plan which handled conservation - related issues in a sensitive and foresighted manner.

Three applications to the Dredge and Fill Board were filed. The conditions of the sites were inspected by the Commission, and subsequently approved.

Repeated complaints were received during the year from residents concerned about the ditching and heavy maintenance on scenic roads. The Commission requested that the Selectmen address this problem, and agreed to an open, informational meeting with all road and safety personnel. The outcome was the establishment by the Selectmen of a Special Roads Committee to investigate road policy for future road maintenance. The Commission looks forward to hearing the results of this research.

The Town Forest is under scrutiny by the Commission. Members have walked the forest several times and been in contact with Bruce McCandless of the County Extension Service on how best to manage the forest area. A massive clean-up is planned for the spring - particularly that area formerly used as a dumping site.

In May the Commission obtained 200 American cranberry bushes (*Viburnum trilobum*) from the state field station. These were distributed to the Francestown school children with planting and expectation instructions. The bushes are easily grown, attractive in all seasons, and a favorite food for berry-eating birds. The Commission plans to offer a different plant or tree to the children again this spring.

The annual roadside clean-up took place in early June. It is a thankless and unpleasant task. We thank all the good people of Francestown who helped collect an enormous amount of rubbish consisting mainly of beer bottles and cans. Many comments in reference to the recently defeated "Bottle Bill" were heard that day, along with many pledges to work even harder to see that is not defeated next time around.

In June the Commission sponsored three area young people at Conservation Camp directed by the Society for the Protection of New Hampshire Forests. Kubby Hall, Beth Bewley, and Jay Topping spent a week learning more about environment through field and pond study. It was a living - learning experience which they happily shared with commission members at a later meeting.

In September, water quality testing and analysis of Scobie Pond and Pleasant Pond were carried out by Professor Roger Lawrence and his advanced biology class of St. Anselem's College. The conclusion was that the water quality was good with no count for coliform bacteria.

Several commission members have been involved with an interesting study of the Piscataquog River. The study under the auspices of the Southern New Hampshire Planning Commission, has involved

extensive field work, mapping, water testing, and recreational possibilities of the river. All maps and information will be available to the Town when completed.

Throughout the year seminars on acid rain, gypsy moth control, hazardous waste, designation of prime wetlands, land trust and land aquisition have been attended by commission members. Present members are particularly interested in establishing land trust for conservation purposes. Tom Enright of the Hollis Land Trust, and the foresight and conservation measures employed by that town have inspired us to pursue this goal.

Last spring Lina deTarnowski and Frank Hanchett were welcomed as new members, along with Fran Hall as associate member. We encourage citizens to contact us on environmental issues and to attend our programs and meetings.

REPORT OF ROAD COMMISSION

We were asked to get information on the old roads in Town. We have about 80 pages of old road information from Town records from 1772 to the present typed up, and have photostatic copies of County records on roads from 1805 to the present being typed. We are working on a map showing the location and status of the roads in Town, their width and classification. We have not found any Records of County Roads laid out before 1800 but are still looking for them in the records in Concord.

Respectfully submitted,

DONALD HOYT
WILLIS FLUHR
ALAN THULANDER
FRANCIS THAYER
JANET MUNSON

FRANCESTOWN HIGHWAY SAFETY COMMITTEE

A five member group, to provide assistance and make recommendations to the Selectmen in matters of safety pertinent to Town and State Roads.

No regular meetings are scheduled.

In 1981 Back Mountain Road was changed from two way travel, to a one way street leading down from Crotched Mountain to Route #47. A majority of the committee felt Back Mountain Road was both too steep and narrow to safely accommodate two way traffic.

Improvements were made to the North access of South Frankestown Road off Route #136, this work was done by the Town Road Agent and the New Hampshire Highway Department.

William Usinger and C. Ashley Prest passed away this year, Ashley served as chairman of this committee for many years, Bill was an active member. They and their service will be greatly missed.

Respectfully submitted,

RICHARD MIKULA
PETER FLOOD
DONALD HOYT
NORMAN STEWART

POLICE DEPARTMENT

1981 was another busy year for the Police Department. We had more serious crime this year than we ever had in the past. I guess that the city is moving into the country more each year.

We had more in-coming phone calls, more calls that we had to respond to, and more arrests this year than any past year.

Traffic has been heavier because of the summer functions at the ski area and now the Golf Course. We expect this in the winter with the ski areas but now we are getting it almost year round.

This is our year for a new cruiser. I'm going for a little smaller car with a smaller engine looking for a better gas mileage.

As far as the budget goes I'm looking for \$500 more than I had last year. We stayed close to the \$20,500 figure that we had this year and I think that the \$21,000 is realistic for 1982, if we have no unforeseen problems of great magnitude.

I do hope that some progress can be made for a facility to house the police department in the future as I'm out growing my house. We do not need anything fancy but do need a place to put records, evidence, and supplies.

I do want to thank the townspeople for their support in the past years and myself and the officers are looking forward to serving you all in the coming year.

Respectfully submitted,

PETER M. FLOOD, Chief of Police

REPORT OF THE DOG CONSTABLE

During my second year as dog officer I had 70 complaints. These complaints dealt with dogs bothering livestock, dogs being a nuisance, and dogs running in packs.

I picked up 15 stray dogs and found the owners or found a new home for all of them.

One of the biggest problems in finding the dog owners is that the people do not put the license on the collar. Of the dogs I picked up only two had a license.

Another problem is that people should tie up their dog if it will not stay at home. REMEMBER WE DO HAVE A LEASH LAW.

Other situations that I had to deal with during the past year were a horse roaming around loose, several dogs hit by cars, abandon animals, and several stray cats.

Respectfully submitted,

CLYDE CILLEY, Dog Constable

BOARD OF ADJUSTMENT

The Board of Adjustment is a five member board with two alternates appointed by the Selectmen. It acts under the provisions of RSA 31:60-89, as well as the Francestown Zoning Ordinance as amended.

The Board meets the second Thursday of each month when there is a need. Decisions were rendered, after hearings, with reference to eight variances, four special exceptions, and one appeal from an administrative decision. The variance requests dealt mainly with set-back requirements. The special exceptions requested hotel expansion at the Hall of Fame Golf Club. The appeal from an administrative decision was generated by the Planning Board decision.

Litigation has been initiated by two applicants, one seeking a variance and one a special exception.

Respectfully submitted,

HAROLD VARNUM, Chairman
CLIFTON FOOTE
DONALD PETTEE
DIANE SCHOTT
ALAN THULANDER

At the March 17, 1981 meeting of the Frankestown Planning Board, officers for the coming year were elected, this election reflecting the results of voting at Town Meeting. Richard S. Mikula was elected Chairman, Charles F. Onasch Secretary, Betty Behrsing, Selectman ex-officio and Sandra Ellis was reappointed Clerk of the Board. Janet Munson and John Oppenheimer were reappointed as alternates.

During 1981, several major projects were completed. These included the adoption of a formal site plan review procedure, the development of a checklist to assure that all necessary data was presented for subdivision approvals and the completion of a formal application for the presentation of subdivisions to the Board.

At the January 19th, 1982 meeting, the Board, in a unanimous vote, accepted the revised version of the Town Master Plan. This document is presently being retyped and edited and it is hoped that it may be ready by Town Meeting.

As has been the Board's usual custom, meetings have been held the first and third Tuesdays of each month (except August). In addition to these 22 regular meetings, the Board held seventeen special meetings and five public hearings.

One of the public hearings, held September 1, 1981, was to discuss the cutting and removal of trees on several of the Town's Scenic Roads. The roads included the following: Poor Farm Road, Avery Road, Bible Hill Road and Birdsall Road. Input was had from the Chief of Police, the Fire Wards and several citizens.

Opposition to the cutting was expressed by residents and property owners on Birdsall Road who feared that the removal of trees would result in the widening of the travel surface and a concurrent increase in the speed of vehicles using this section of the road. The Board, in the interest of safety and better maintenance voted unanimously to approve the removal of the marked trees with the proviso that road width be maintained at present dimensions.

Two hearings were held to make changes in the Subdivision Regulations and two hearing were held for Zoning Regulation changes. In both cases, changes were mandated by new State regulations and by need changes to bring our regulations into legal compliance.

During 1981, 9 subdivisions were approved creating 14 lots.

Respectfully submitted,

CHARLES F. ONASCH, Secretary

REPORT FROM THE SOUTHWEST REGION PLANNING COMMISSIONERS

Franeestown, as a member of the Southwest Region Planning Commission, is one of a growing number of communities which have recognized and support the benefits of regionalism in their areas. As evidence of this growth in recent years, in 1974, 142 of the 234 local governments in the state were members of regional planning commissions, while today 201 can be counted as member towns.

As membership in regional planning commissions has grown, so have the areas of involvement and responsibility. Regional planning commissions provide a diversity of services to local governments which is not, has not, and can not be provided by any other agency, or array of agencies-federal, state, or local-at comparable cost. These services are basically "one on one" at the local/grassroots level and have had the advantage of fostering trust and credibility within the arena of local home rule. Historically, the regional planning commission has responded to the needs, desires, and problems of local governments both on an individual and regional basis.

The Southwest Region Planning Commission's relationship with its member communities is enhanced by Commissioners who are a representative cross section of lay personnel (City Council-members, Selectmen, State Representatives; together with members of local boards and commissions and citizens at large, appointed by and accountable to their Boards of Selectmen or the Keene City Council).

The Southwest Region Planning Commission is an "in place" agency, familiar with its area, with a proven and demonstrated capability for assessment and implementation of local and regional policies, programs and plans as they affect local governments.

FRANCESTOWN RECREATION COMMISSION

This past year has been a good one for Francestown Recreation. Over sixty children participated in summer swim lessons, directed by Julie Cloutier and assisted by Mary Miller.

The Adventure Program, offering canoeing, hiking, and nature study was held this year at Sargeant Camp, Hancock. Children, ages 7-14, under the direction of their competent staff, participated in the program.

Thanks to the instructions of Lois MacAdam and friends, many town children graced the tennis courts. For the fourth consecutive year, Andy's Summer Playhouse presented a creative theater workshop for area children, under our sponsorship.

Special thanks to Ed Farhm and his coaching staff for providing leadership and the principles of good sportsmanship to scores of children on Little League and Pee Wee baseball teams.

In July, our first Summerfest was held at Crotched Mountain East, delighting many families with a pot-luck picnic, exhausting relay races, and rollicking volleyball games. Pattie McNeil planned and directed fun-filled activities for all. Tim Gannett and Steve Ingram of Crotched Mountain are thanked for their generosity and assistance in making Summerfest a success. Thanks also to Oscar Annis of Greenfield and his team of horses for hayrides around the mountain.

Our monthly Contra Dances bring some of the best callers, fiddlers, and dancers in the east to Francestown. If you don't dance yet, come, listen, and watch and soon you'll join in.

Our fifth annual Halloween Party was well attended and the Spook House brought thrills and chills to young and old alike. The Rev. Gary Alger and the Waitkunas- Bellfamily worked hard to make this Spook House one of the best. Thanks to Chuck and Sara Hardwick for taking many brave goblins for a bone-chilling hayride around town.

Jackie Soreson has nothing on Francestown since Jean Lurvey and Linda Kreatz ably taught a vigorous aerobic-exercise course to many town women this fall, under our sponsorship.

We recently purchased volleyball equipment and hope to organize programs soon.

All in all, we feel positive about the activities offered this past year. We want your input for new ideas and especially need your assistance in planning and directing future programs. More recreation commission members are necessary to meet the needs of our growing community. Please volunteer!

WASTE DISPOSAL AND RECYCLING COMMISSION

You will note a considerable difference between our 1981 appropriation for the Town Dump and Garbage Removal and the actual expenditures for the past year. We had submitted a budget of \$15,650, but the Budget Committee and the Selectmen opted to reduce the budget to \$14,000, in line with the actual expenditures for the prior year. In 1980 we received from sale of gravel, as our prorated share of the Antrim/Bennington Landfill, (\$1,800), which we were not to receive in 1981. Hence the discrepancy.

Again recycling in 1981 was not a profitable operation and I doubt that it ever will be for our relatively small town. Lack of proper equipment to handle and transport recyclable materials eliminates any chance of even breaking even for that specific operation. However we do continue to store and sell paper, cardboard and glass, which lowers our current charge to move other non-recyclable to the Landfill. Further we must control all waste materials that are brought to our Town Dump area.

We still have approval to burn combustible materials such as brush, wood and some construction materials.

Our lower section as a disposable area is still approved by the State of New Hampshire Public Health Services, which, for our Dump, covers air and water pollution, scrap metal, chemical waste if any, tires, old cars etc. Without constant supervision and constant cleanup of disposable there, we might well have our permission rescinded and be obliged to truck everything to the landfill at a considerable increased cost.

During the past eight months we have been working with Antrim and Bennington in an effort to develop a more practical plan for this Tri-Town recycling effort. With passage of the State Solid Waste Plan, a bill that became effective on August 29, 1981, the Bureau of Solid Waste Management in Concord will designate districts in which each town must participate in developing a Plan for its solid waste disposal. We believe currently that our arrangement with Antrim and Bennington is a suitable and satisfactory operation but we may find pressure to include other neighboring towns in this landfill space.

One of the fundamental goals behind this State Solid Waste Plan is the Resource Recovery from recycling and the generation of energy from waste disposal, and the belief that several towns working together can create enough waste to accomplish this.

Respectfully submitted,

WILLIAM GRUBE

Board of Selectmen
Francestown, New Hampshire 03043

Dear Selectmen:

Monadnock Family and Mental Health Service requests your support for the 1982 fiscal year. As we are aware that local towns face on-going budgeting problems, we are not increasing our 1982 request for support. Rather, for the eighth year we are using the same base formula of 50¢ per capita. This is based on population figures from the 1980 census. For the town of Frances-town the amount is \$412.50.

Funds from Francestown are used to support the Peterboro District office. During the past year 11 people from Francestown were served by the agency.

Many services are available to your residents from our agency. They include 24-hour emergency service, out-patient counseling, day treatment, and in-patient treatment. Specialized services are available to the elderly, youth and patients returning from New Hampshire Hospital. These activities are supported with state and federal monies combined with local support and fees.

Please do not hesitate to contact us if you have any questions.

Sincerely,

Thomas E. Dwane, ACSW
Executive Director

1982 per capita request - \$2.74

1982 Appropriation Total - \$2,274.20

HISTORIANS'S REPORT 1981

Early in the year a break in a electric line on Route #47 caused a power outage at Crotched Mountain leaving skiers stranded on the chair lift. Emergency evacuation of the lifts was accomplished in under 20 minutes when gasoline engines operated to carry skiers to the top where they were escorted down the mountain by ski instructors carrying rail road flares which are used in the traditional torch light parade.

Facilities at the ski area were operated during the summer months for private outings on weekends.

The Hall of Fame Golf Club operates at the Tory Pine Resort. Ski touring is offered during the winter months. There has been continued opposition to expansion of lodging facilities at this area.

The new fire station was dedicated in memory of Neil Leonard in April.

The Improvement & Historical Society sponsored three lecture programs this year. A luncheon and fireplace cooking demonstrations were held at the homes of Mr. & Mrs. Hansen and Mr. & Mrs. Alan Thulander. Herb gardens were the subject of a spring program, and old Christmas decorations were featured in December.

Making an anniversary appearance in the Societies Parade at the Labor Day Fair were 12 participants from the first parade 64 years ago. Riding in a horse drawn wagon were Martha Bixby, Mason Bixby, Carolyn Hawkins, Don Pettee, Rhoda Lemander, Charles Hopkins, Robert Williams, John Cole, Henry Humphreys and Frances Whittemore.

The community Pre-School moved to new quarters in the basement of the Post Office this fall after having met in the basement of the Community Church for the past several years.

Honored by Oak Hill Grange were Clifton Foote who was named citizen of the year and C. Gladys St. John who received a 65 year membership award.

Pacific Lodge F. & A. M. was presented a plaque recognizing their being the first in the State to achieve their quota in support of the restoration of William Pitt Tavern at Strawberry Banke.

Mabel Stevens Pratt was awarded a plaque which recognized 75 years of membership in the Eastern Star. Her sister Annie Stevens Shedd achieved the same honor two years ago.

Rev. Gary Alger was chosen as the new minister of the Community Church. He and his wife Judy are living in the former Wiggins' home in Mill Village.

For the first time in many years there were no regular Sunday services held by the Unitarian Church in the Old Meeting House

A flowering crab apple tree purchased with funds from an old account for landscaping in memory of Elsie B. Pettee was planted at the elementary school. The late Mrs. Pettee was a member of the school board about the time this school was built in 1940. Donald and Cristy Pettee were present at the planting of the tree in memory of their mother.
